2017 Leaf Collection

During Fall the Village collects leaves according to the schedule below from mid-October through the first week in December, weather permitting. Leaves must be raked to the curb in advance of the scheduled pick-up dates for your street. Please note that your leaves may be picked up later than the scheduled week, due to inclement weather or other circumstances beyond our control. It is anticipated we will be able to go back over streets between the scheduled weeks.

Leaves raked to the curb must not be raked into the gutter or into the street blocking street drains. This could cause flooding if the leaves are washed into the street storm drain system. Small sticks (smaller than a broom stick), twigs, leaves, and other small debris such as this must be bagged or placed in cans for Rumpke, following Rumpke’s yard waste requirements. The Village leafing crew will not pick up this type of material and placing it in the leaf pile may seriously damage leafing equipment.

After December 8, 2017, raked leaves left at the curb must be bagged and placed out according to the regular guidelines for yard waste pick-up. **Raked leaves are not permitted to lay in the curb over the Winter months.**

2017 LEAF PICK-UP SCHEDULE

(Tentative based on weather and conditions beyond our control.)

Week of

October 23	October 30	November 6	November 13	November 20	November 27	December 4
