For the month of June FY21, the Village generated \$104,339.62 in General Fund income tax receipts. This figure was approximately \$33,000 more than what was generated over the same period from the previous year. To date, total General Fund income tax receipts for the year are \$470,878.73. Again, this figure exceeds the FY20 figure by approximately \$40,000. For the second straight month the income tax receipts have exceeded those from the previous year and total receipts are in alignment with forecasts. The reduced figures from previous months seem to be the result of delays in income tax filing deadlines at the local, state, and federal levels.

Total General Fund receipts were \$162,161.83 for the month of June FY21. This figure exceeds the figure from June FY20 by approximately \$35,000, nearly matching the difference in income tax receipts from June FY21 and June FY20. Total General Fund receipts for FY21 are \$1,160,668.77 compared to \$1,102,361.80 from FY20. Through June, total General Fund revenues are on track to meet or exceed forecasted estimates.

As for expenses, total expenses for the month of June FY21 were \$172,102.83. This figure continues a trend of increased expenses on a per month basis when compared to figures from last year in the amount of \$36,000. Total expenses for the year for FY21 exceed those from last year in the amount of \$115,366. Total Village expenses are exceeding those from last year for several reasons, incliment weather and Village response to it, increased use of overtime across departments, and planned personal inceased expenses. Village Administration will continue to monitor expenses and make any adjustments necessary.
