Budget description (if applicable):
5. Relationship to Other Initiatives
a. Does this project implement an existing study or plan for the community?
Yes □ No □
If yes, please share the name of the study or plan and a link if it's available online.
b. Is this project a continuation of a previously funded CDBG project? Yes $\square$ No $\square$
If yes, what is the name and year of the project?
6. Qualification:
a. Does the project benefit a low to moderate income area of the community?
Yes □ No □
This can be measured by the actual people benefiting from the project/program or by the census block group area being served.
To qualify, at least 51% of the persons benefiting from this project must have incomes of 80% or less of the area median income. Currently, this is \$69,050 per year for a household of four people.
of the area median income. Currently, this is \$69,050 per year for a household of four people.
of the area median income. Currently, this is \$69,050 per year for a household of four people.  b. Please list the census tract number(s) and block group(s) that benefit from this project:  Link to map to determine LMI for each census block group in project area:
of the area median income. Currently, this is \$69,050 per year for a household of four people.  b. Please list the census tract number(s) and block group(s) that benefit from this project:
of the area median income. Currently, this is \$69,050 per year for a household of four people.  b. Please list the census tract number(s) and block group(s) that benefit from this project:  Link to map to determine LMI for each census block group in project area: <a href="https://www.arcgis.com/home/webmap/viewer.html?webmap=db40ef6a55cb41f793fc02e9b019a85f">https://www.arcgis.com/home/webmap/viewer.html?webmap=db40ef6a55cb41f793fc02e9b019a85f</a>
of the area median income. Currently, this is \$69,050 per year for a household of four people.  b.
