Mr. Shelton called the meeting to order at 6:00 PM. The roll call was read and the following Board Members were present: Mr. Hudson, Mr. Lamar, Mr. Lanser, Mr. Shelton, Ms. Taylor and Mr. Van Harn. Also present were Chief Timmers, Clerk Mrs. Kaminer and solicitor Alan Abes.

Mr. Shelton asked for approval of the September 16, 2020 board meeting minutes. Mr. Lanser made a motion to approve, seconded by Mr. Van Harn. All Board Members concurred with the motion. The September 2020 meeting minutes were approved.

Mr. Shelton announced that there is a special presentation this evening regarding a donation to the District. He introduced Board Member Roger Van Harn and asked that he address the Board. Mr. Van Harn introduced his daughter Haven Van Harn. He stated that his daughter has been working on a cookie sale for some time, putting in over 40 hours on the sale. She is on hand this evening to present a donation to the Fire District. Haven announced that she raised \$551.47 and presented a check to the Fire District to be used for needs at the Golf Manor Station. The Board praised Haven for all of her hard work and generosity and thanked her for the donation.

**CLERK'S REPORT**

The YTD financial report through the month of September was reviewed and discussed. Mrs. Kaminer noted that all receipts from Hamilton County for the District's levies have been received for the year. The remaining receipts for 2020 will be from the Columbia Township contract, EMS collections, and the second half receipts from the State rollback and Bond subsidy. For expenses, Mrs. Kaminer stated that the Board may have noticed that there is a new vendor called Navia on the check register. They recently acquired Flex Bank who manages the District's HRA medical reimbursement program for full-time employees. Some expenses to note for the month are Specialty Truck in the amount of \$2,391 for repairs and preventative maintenance on Squad 7 and to Anderson Hills Plumbing in the amount of \$1,222.92 for annual back flow test and repairs. Some accounts to watch that may need a supplemental appropriation before year-end are Building Maintenance, Gas/Electric, and EMS Supplies. The cash balance at the end of September 2020 was \$1,149,245.32.

Mr. Lanser stated that Golf Manor, and probably the other fire district members, have received COVID funds through both the County and State. He is wondering why the District did not receive funds. If possible, Golf Manor may be interested in contributing some of their funds to the District to use for COVID related expenses. Ms. Taylor stated that her understanding is that COVID funds only went to political jurisdictions such as cities, villages and townships. There was a recent call with Hamilton County where the question was asked if the County would consider a fire district as a political jurisdiction to receive those funds directly, or if there was a mechanism to allow the District to be a sub-grantee of the funds if one or more of the member jurisdictions had funds available to give them. The County stated that they would look into this issue. One idea discussed was to use the formula that

determines property valuations to determine the percentage that may be allocated to the District. She also stressed that if it is determined the District could receive funds from a member that it would not obligate other members to do the same. She is hopeful that a response from the County will be forthcoming soon.

It will also be important to note that the District will need to provide expense documents and back up documents to which these funds may be applied. Mr. Lanser asked Acting Chief Timmers to begin listing out the items that could be used for PPE. Ms. Taylor stated that figuring out the monthly consumption of gloves, masks and other PPE items may help in determining how much supplies the District may need in the future. Acting Chief Timmers stated that he attended a Chief's meeting today and EMA Director Nick Crosley state that they are well stocked with PPE at this point and will supply the fire department with any immediate needs, but he will check in with the Captain responsible for supplies to start determining future needs.

Mrs. Kaminer reported that there is a new report that will be included in the Board packet each month on the recommendation of the State Auditor. The District collects a flat \$5 from all full timers and .05 cents per hour worked from part-timers each pay period. Those funds go into a separate bank account and monies are used to buy supplies and food items for the kitchens at each station. Captain Rackley is responsible for this account and will provide a monthly report showing all receipts and expenses for that month. For September 2020 the beginning balance of the fund was \$433.86 and the ending balance on Sept. 30 was \$866.95.

#### **OLD BUSINESS**

Mr. Shelton stated that last month Mr. Lanser inquired about the increase in runs to Elmwood Place. Acting Chief Timmers said that he had a meeting with Chief Young of St. Bernard and was told that they may be entering into an agreement with Elmwood Place to provide EMS service. His understanding is that there is a meeting this evening for those discussions to occur. He has also spoken to the Comm Center and informed them that if the District is down to three on staff and a call comes in from Elmwood that they are to advise that we are not available.

Mr. Shelton asked if runs to Elmwood have improved over the last month. Acting Chief Timmers stated that they have definitely reduced so far in October.

#### **FIRE CHIEF'S REPORT**

The Monthly Emergency Activity Report for the month of September 2020 was reviewed. Acting Chief Timmers announced that the District has two new paramedics. Part-timers Eric Freeland and Brandon Young have recently passed their certifications.

There is an issue with the 2008 squad. It needed a new fuel injector along with some additional work and that cost will be \$4,900.

The second and final hydrant inspections of the year are occurring now. Mr. Lanser asked what the inspections entail. Acting Chief Timmers stated that in the Spring, flow tests are performed and in the Fall, the hydrants are inspected to make sure there are no leaks and no water in the lines so the hydrants do not freeze. Mr. Shelton asked if there were any current issues with hydrants throughout the District. Acting Chief Timmers stated that he was not aware of any issues. Mr. Lanser stated that the hydrants were green in Golf Manor – is there a reason for that and does that cause any issues in locating them? Acting Chief Timmers stated that must have been a decision of Golf Manor some years ago. He does agree that they are easier to spot if they are yellow. Mr. Shelton asked if the hydrants at least have reflectors on them and Acting Chief Timmers stated that they should all have reflectors.

Ms. Taylor stated that since this meeting is being held remotely, it would be helpful to any viewers to hear about the EMS and/or fire activity in their neighborhoods. Ms. Taylor read aloud the following data:

2020 Fire Runs total 328. Of that total, the top 5 run areas are 1) Ridge District – Columbia Township 2) Golf Manor 3) Fairfax 4) Madison Place District – Columbia Township 5) Mariemont

2020 EMS Runs total 1,145. The top runs are to these areas 1) Golf Manor 2) Ridge District-Columbia Township 3) Fairfax, 4) Madison Place District – Columbia Township 5) Elmwood Place

Mr. Shelton requested that Acting Chief Timmers provide this information on a monthly basis for all future meetings.

There was no other business discussed. Mr. Hudson made a motion to adjourn the meeting, seconded by Mr. Lanser. All Board Members concurred with the motion. The meeting was adjourned.

## **RESOLUTION NO. 11-2020**

### **AUTHORIZING THE BOARD PRESIDENT TO ENTER INTO AN AGREEMENT WITH THE BOARD OF COMMISSIONERS OF HAMILTON COUNTY, OHIO FOR THE PURPOSE OF SELLING SURPLUS EQUIPMENT AND OTHER UNNEEDED PERSONAL PROPERTY**

**WHEREAS**, from time-to-time, the Little Miami Joint Fire & Rescue District (the "District") has surplus equipment or other personal property that is functional, yet obsolete and not needed for any municipal purpose; and

**WHEREAS**, the Administrative Services Division of Hamilton County, Ohio (together, with the Board of Commissioners of Hamilton County, Ohio, "Hamilton County") has an "Internet Surplus Auction process" through which it sells surplus equipment or personal property at auction in accordance with the laws and requirements of the State of Ohio; and

**WHEREAS**, pursuant to R.C. 307.15, the District and Hamilton County may enter into an agreement for the sale of the District's surplus equipment or other unneeded personal property through the Internet Surplus Auction process; and

**WHEREAS**, the Internet Surplus Auction process reaches a wide audience, and is more likely to result in successful sales of surplus or unneeded District equipment and personal property, at lower cost to the District, than the District could achieve on its own; and

**WHEREAS**, it is, therefore, in the District's best interest to participate in the Internet Surplus Auction process; and

**WHEREAS**, the agreement attached hereto as Exhibit A will replace an existing agreement for the same purpose;

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Trustees of the Little Miami Joint Fire & Rescue District, State of Ohio, that:

**SECTION I:** The Board President is hereby authorized and directed to enter into an agreement with Hamilton County for the District's participation in the Internet Surplus Auction process, in substantially the same form as attached hereto as Exhibit A, subject to such non-material changes as the Board President finds appropriate.

**SECTION II:** The Board hereby finds and determines that all formal actions relative to the passage of this resolution were taken in an open meeting of this Board, and that all deliberations of this Board and its committees, if any, that resulted in formal action were taken in meetings open to the public, in full compliance with applicable legal requirements, including Section 121.22 of the Revised Code, as amended by the emergency provisions of Ohio HB 197.
