10+	41,600.00	20.00	54725.00	26.31	56,600.00	27.21

Notes:

- As of 1/12/2021, the average annual pay for a full-time Code Enforcement Official in municipalities across the State of Ohio is \$45, 352.
- The average minimum annual is \$38,000. The average maximum annual is \$62,000. The spread is wide because of the background and experience in candidates, as well as disparate methods of filling the position.
- Full-time non-exempt positions work 2,080 hours per year and qualify for overtime at 1.5x for any daily hours in excess of 8 hours per day; 40 hours per week.
- Golf Manor employees are paid bi-weekly, A normal pay period would account for 80 hours.
- This position as recommended, would work an average of 20 hours per week or 40 hours per pay period.
- The recommended ranges are based on our assumption of what we want to pay for this type of work, how the position fits into the marketplace, along with our ability to attract qualified candidates.
- This position does not qualify for benefits.
