**Updates:**

Former Mayor Zaffiro gave a presentation on gateways and streetscapes. The Executive Committee recommends the administration apply for a Community Development Block Grant under the Community and Economic Development (CEDAP) category. The total project cost is estimated at \$57,000. If the grant is received this would fund the project, leaving the village with only ongoing landscaping costs to upkeep the investment.

**Points for Discussion:**

The Executive Committee will be working on 2025 priorities in our next meeting.
