Village of Golf Manor

Administrator's Report

Sept 15, 2025

Mayor Densmore and Members of Council,

Please find below a summary of current administrative updates and project statuses:

Yosemite–Ridgeacres Project

Water main work should commence on Yosemite this week. Asphalt is planned to be completed in October.

Losantiville Avenue Gateways Intersection Project

This project is awaiting the steel for the new poles.

Rosedale Avenue Sinkhole

A sinkhole recently developed on Rosedale Avenue. Greater Cincinnati Water Works promptly repaired the subsurface issue. The damaged sidewalk, however, remains outstanding, however we have received confirmation from Water Works that a work order has been created. A timeline has still not been established for completion.

Police Department Vehicle Update

The **Chevrolet Silverado** outfitting has gone faster than expected. Though still not ready, the vehicle should still make the expected Q4 deployment date.

As always, thank you for your continued support. Please feel free to reach out to me with any questions or concerns.

Respectfully submitted,

Eric Pridonoff

Acting Administrator / Fiscal Officer

Village of Golf Manor
