Station 89 | Office: 513.791.2500 | Fax: 513.936.6213

TO: Deer Park Silverton Joint Fire District Board of Trustees

FROM: Chief Dennis E. Meador II, OFE

DATE: February 7, 2026

SUBJECT: 2025 Annual Report

The year 2025 was one of reflection, planning, and progress for the Deer Park-Silverton Joint Fire District. Guided by our responsibility to provide reliable, high-quality fire and emergency medical services, the Fire Board and staff worked throughout the year to strengthen the District's operational readiness while planning carefully for the future needs of our community.

A central focus in 2025 was ensuring the Fire District's long-term financial sustainability. Our most recent operating levy was approved in 2013. Since that time, operating costs have continued to rise while levy revenues have remained fixed. Through disciplined financial management, along with EMS insurance billing, grant funding, and service contracts with neighboring communities, the District has maintained service levels while limiting taxpayer impact. However, it became increasingly clear that additional funding would be necessary to continue meeting community expectations in the years ahead.

After extensive review and discussion, the Fire Board placed an additional 3.5-mill operating levy on the November 2025 ballot. The purpose of the levy was to sustain current services and plan responsibly for future needs, including the replacement of fire and EMS vehicles, facility improvements, technology upgrades, and ongoing efforts to recruit and retain qualified personnel. In November, residents of Deer Park and Silverton strongly supported this effort, with nearly 70 percent of voters approving the levy. We are sincerely grateful for this vote of confidence and for the many residents and volunteers who helped inform the community throughout the process.

Operationally, 2025 brought meaningful improvements to the District's emergency response capabilities. After a multi-year production process, a new medic unit was placed into service, strengthening our ability to deliver timely and effective emergency medical care. Planning also continued for future

ambulance replacements to ensure continuity of service and responsible long-term budgeting. These investments reflect the District's commitment to readiness, safety, and reliability.

The District also continued to build and maintain strong partnerships. Productive conversations took place with municipal partners, including the Village of Golf Manor, as we look toward the future of cooperative service agreements. Regionally, the District shared its experience at the Hamilton County Shared Services Summit, highlighting the benefits of collaboration and the efficiencies achieved through shared services and contracts.

Our people remain the foundation of everything we do. In 2025, we celebrated professional accomplishments within the department, including the successful completion of advanced paramedic training by one of our firefighters. We also recognized the contributions of long-serving members who concluded their careers this year after decades of dedicated service. At the same time, the District continued its efforts to address staffing needs through recruitment and training, ensuring we are prepared to meet the demands of a growing and evolving community.

For more than 26 years, the Deer Park–Silverton Joint Fire District has been committed to fiscal responsibility, operational excellence, and community trust. The progress made in 2025 reflects not only careful planning by the Fire Board and staff, but also the continued support of the residents we are proud to serve.

As we move forward, we remain dedicated to protecting life and property, being responsible stewards of public resources, and strengthening the safety and resilience of our community. Thank you for your continued trust and support.

Respectfully,

Dennis E. Meador II, OFE

Fire Chief

Mission

The mission of the Deer Park-Silverton Joint Fire District is to mitigate the threat to life and property from fire, medical and other emergencies through education, prevention, community preparedness and emergency response.

Vision

This joint venture visualizes that through consolidation we can provide the residents which we protect and serve the highest quality of service which they deserve. We strive to remain accountable to our citizens and we are continuously mindful to listen to their needs.

Firefighter Code of Ethics

As a firefighter and member of the Deer Park-Silverton Joint Fire District, my fundamental duty is to serve the community; to safeguard and preserve life and property against the elements of fire and disaster; and maintain a proficiency in the art and science of fire engineering.

I will uphold the standards of my profession, continually search for new and improved methods, and share my knowledge and skills with my contemporaries and successors.

I will not allow personal feelings, nor danger to self, deter me from my responsibilities as a firefighter.

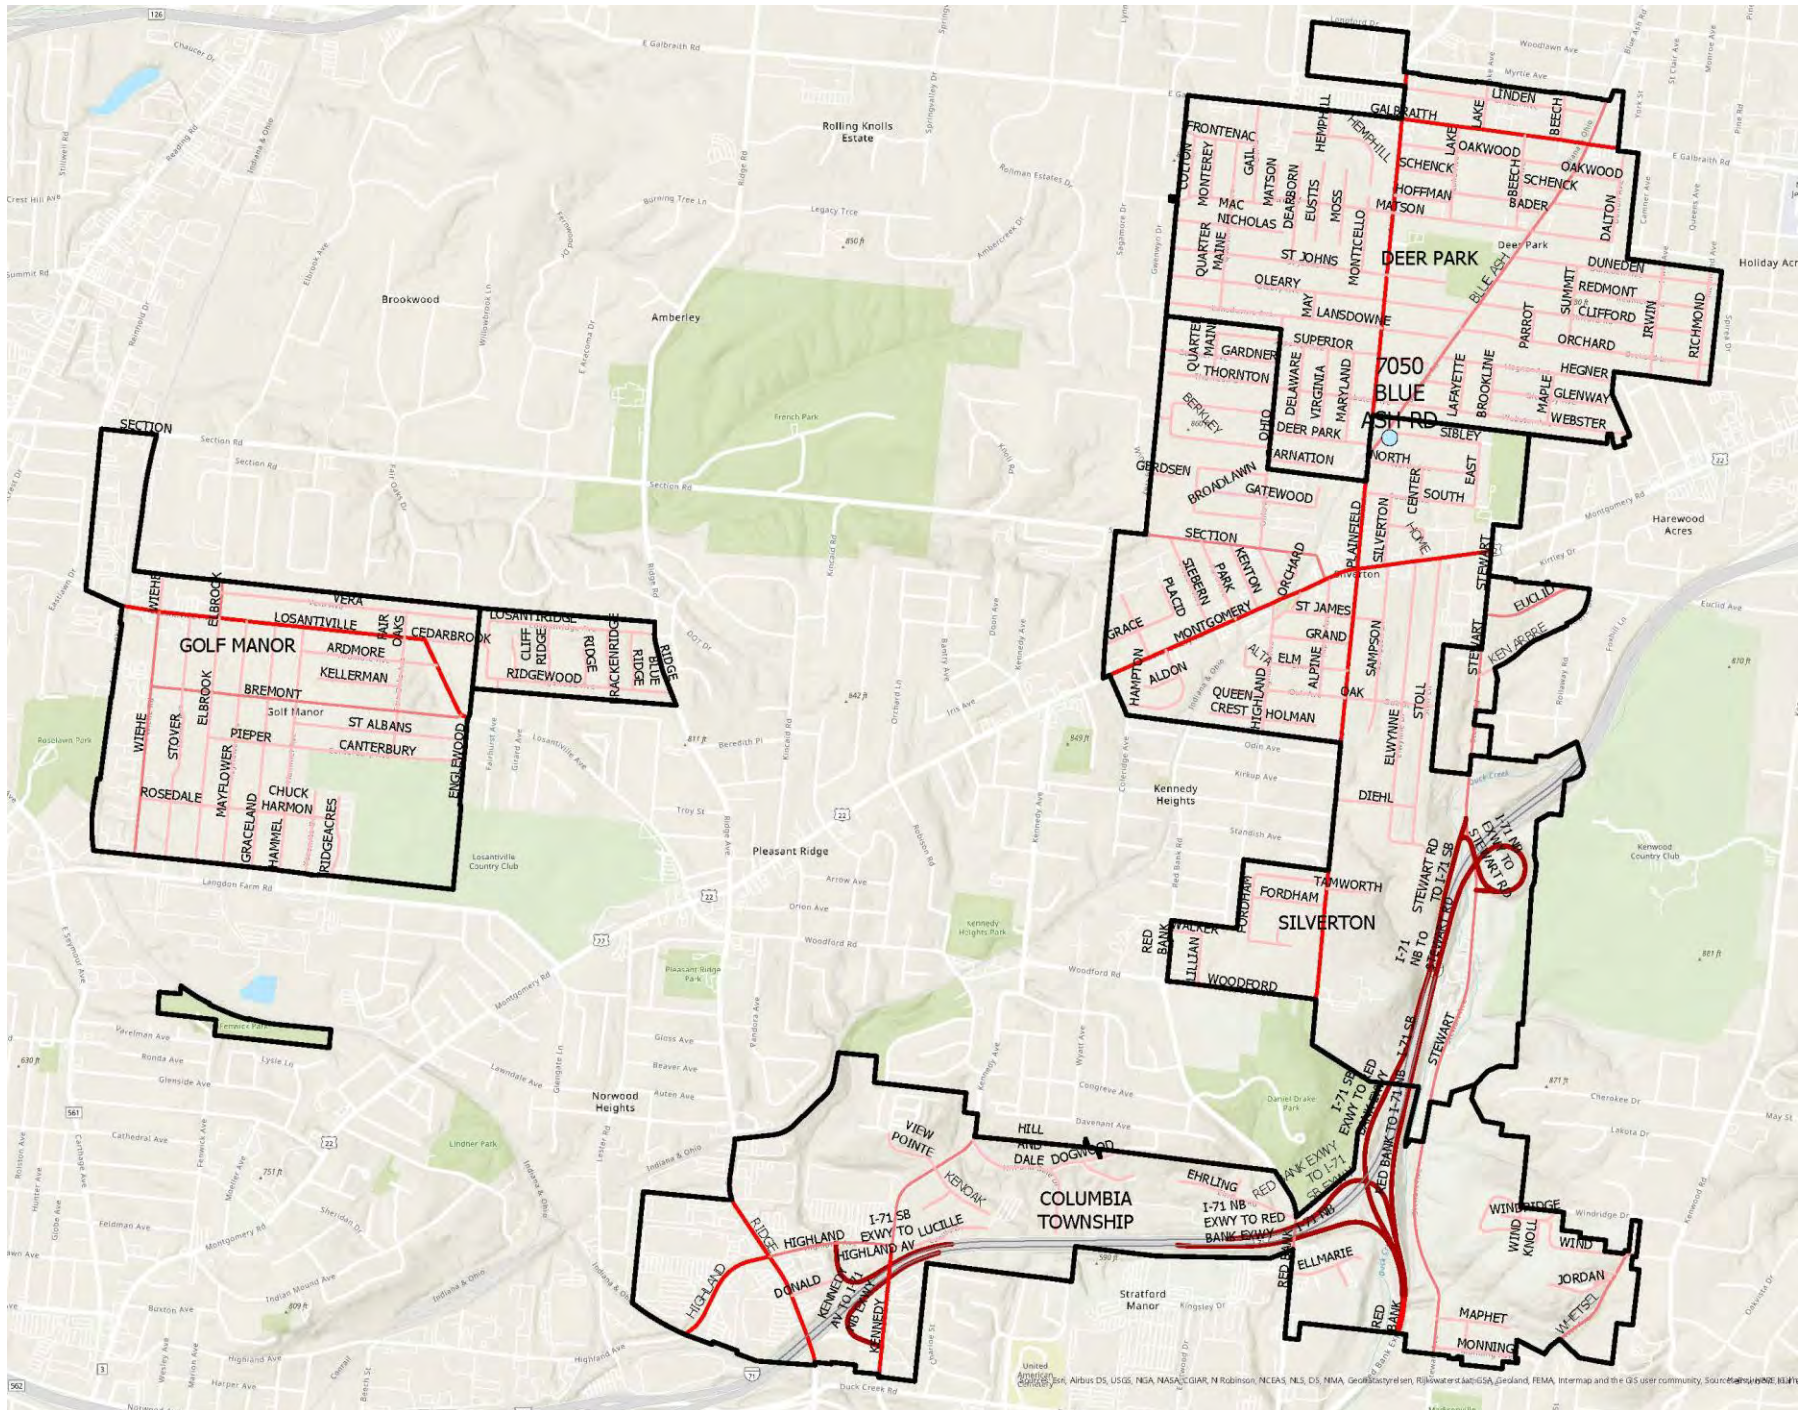

I will, at all times, respect the property and rights of all people, the laws of my community and my country, and the chosen way of life of my fellow citizens.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the fire service. I will never use my official position to obtain advantages or favors for myself, my friends or family.

I will constantly strive to achieve the objectives and ideals, dedicating myself to my chosen profession—saving of life, fire prevention and fire suppression.

As a member of the Deer Park-Silverton Joint Fire District, I accept this self-imposed and self-enforced obligation as my responsibility.

Quick Facts

- Established April 1, 1999
- 3.5 square miles covered by one fire station
- 15,000+ residents protected
- 7 miles of limited-access highway (Interstate 71 and Red Bank Expressway)
- Responded to nearly 67,000 calls for service since April 1, 1999
- Calls for service in a 24-hour period:
 - Most: 25 (August 19, 2025)
 - Fewest: 3 (February 5, 2025)
- Conducted 1,460 hours of in-house training led by fire and EMS instructors on our staff. This training covered 107 different topics.

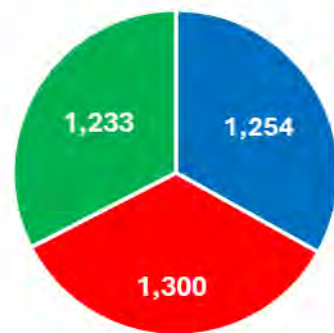

Firefighters Alex Pietrandrea and Chris Benjamin were on hand as a safety crew at the annual Silverton Fun Run at Ficke Park on May 23, 2025.

Engine 89 on the scene of an auto accident in Golf Manor on June 21, 2025.

Paramedic Transport Units

Unit ID: 125
Body Manufacturer: Horton
Body Year: 2025
Chassis Manufacturer: Ford
Chassis Year: 2025
VIN: IFDUF5HN9RDA25865
Mileage: 6,538
Hours: 557
Equivalent Mileage (Hours x 35mph): 19,495
Anticipated Replacement Year: **2035**

Unit ID: 114
Body Manufacturer: Horton
Body Year: 2005
Chassis Manufacturer: International
Chassis Year: 2013
VIN: 1HTJSSKK1EH051494
Mileage: 107,126
Hours: 10,019
Equivalent Mileage (Hours x 35mph): 350,665
Anticipated Replacement Year: **2026 (Will become reserve unit)**

Unit ID: 108
Body Manufacturer: Horton
Body Year: 2008
Chassis Manufacturer: International
Chassis Year: 2008
VIN: 1HTMNAAM39H694808
Mileage: 137,807
Hours: 13,141
Equivalent Mileage (Hours x 35mph): 459,935
Anticipated Replacement Year: **2026 (Will be liquidated)**

Estimated delivery date: 2026 (2nd quarter)

Students from Amity Elementary visited the station on May 6, 2025, as part of a class project thanking police and fire personnel in the area. Here, FF/Medic Brandon Gates answers questions about Quint 89.

On October 17, 2025, staff from Station 89 participated in the funeral services of Reading Firefighter Lindsey Collett, one of the first full-time paramedics in Reading and a respected EMS instructor in the region.

One of the duties of the on-duty crew is to inspect fire hydrants to ensure they are operation in the event of a fire. Here, FF/EMT Tim Linz is seen inspecting a hydrant in Columbia Township in the spring of 2025.

On August 19, 2025, the crew of Medic 89 was presented an award from Jewish Hospital for quickly identifying and treating a STEMI patient in the field. Thanks to their efforts the patient made a full recovery and was on hand to present the award.

Live fire training is an necessary to ensure personnel are skilled at moving hose, throwing ladders, searching buildings, and rescuing fire victims. In August 2025, the staff completed two days of live fire evolutions at the Reading Fire Department's training complex.

THANK YOU FOR TAKING THE TIME TO SPEAK AT THE RECENT SHARED SERVICES SUMMIT. WHILE I WAS UNABLE TO ATTEND YOUR SESSION, I AM CONFIDENT THAT IT WAS INFORMATIVE AND HELPFUL TO THOSE WANTING TO KNOW MORE ABOUT THE JOINT FIRE DISTRICT OPERATION.

THANKS FOR YOUR HELP & PARTICIPATION.

BEST.

Re: First Day of School Clap-In

Team,

Thank you so much for your participation this morning. I have received several notes regarding how awesome and thoughtful the clap-in was. You are a valued partner and I thank each of you on behalf of Silverton Es.

Best,

Kevin D. Williams
Principal, Silverton Elementary School
Cincinnati Public Schools
(513)363-5400

To

Tom Camp
and
Deer Park Silverton Fire Dept.

Thank you for presenting the Bible to me in honor of Fred and his past service to the department. It is greatly appreciated.

Mary Ellen Deeters

SENDING SPECIAL
WISHES FOR A
festive
CHRISTMAS!

Jude & Steve

We want to Thank all of you for all you do all year round. You do a great job & are so nice. Wishing you all a very Merry Christmas & a Healthy & Happy New Year.

Thank you from
the entire
Deer Park
Community!
