

Golf Manor Police Department — Chief of Police Report to Village Council

To: Golf Manor Village Council

From: Ryland A. Reed, Chief of Police

Date: August 2026

Subject: Police Department Monthly Report

Crime within the Village of Golf Manor remains relatively low, with no major crime trends or critical incidents to report at this time. We continue to encourage residents to remain vigilant and to contact the Police Department whenever they observe something suspicious, regardless of how minor it may seem. The Hamilton County Communications Center is the best way to ensure an officer is dispatched in a timely manner and can be reached at **513-825-2280**.

I would also like to thank everyone who donated to and assisted the Department with our Stuff A Cruiser initiative. The school supplies collected will be donated to Pleasant Ridge Montessori School to assist local students in need. We also greatly enjoyed seeing so many residents who stopped by the Golf Manor Police Department booth during National Night Out. It was an excellent opportunity to connect with our residents and those from surrounding neighborhoods, and to strengthen the relationships that are so important to our community.

We look forward to welcoming residents to Coffee and Conversations with the Golf Manor Police Chief and the Fire Chief of the Deer Park-Silverton Joint Fire District on August 25, 2026, from 9:00 a.m. to 10:30 a.m. There will be no formal agenda, just coffee, conversation, and an opportunity to connect with your local public safety leadership. Coffee will be provided by Tom's Coffee Truck and is kosher certified.

Residents are also encouraged to stop by the Police Department lobby to pick up a Police Survey and a Crime Prevention yard sign. If supplies are not available when you stop in, please let a member of the Department know, and we will make sure additional materials are obtained. We also have a limited number of steering wheel locks available for residents who would like one.

The Golf Manor Police Department remains committed to being accessible, responsive, and engaged with our community. **We are always here if you need us.**

Respectfully submitted,

Ryland A. Reed

Chief of Police
