Regional First Responder Training to be Conducted Aug. 16 & 17 at CHDS Amberley Campus

GOLF MANOR (8/15/2018) – This Thursday and Friday, August 16 and 17, 2018, the Village of Golf Manor Police Department (GMPD) will participate in a joint regional 2-day training session with the Little Miami Fire & Rescue District (LMFR) that will focus on situations that first-responders may encounter at a school campus. This exercise is being provided to assist regional police and fire department response to an active threat incident.

Bringing together command, law enforcement, and fire rescue jurisdictions from across the State of Ohio, this training provides an opportunity to develop and test response capabilities in an active threat or active shooter incident. In addition, assets from Federal, state, and local entities, as well as aircraft from local hospitals, and command units from Hamilton County will also participate.

The Cincinnati Hebrew Day School (CHDS) campus, located at 6701 Elbrook Avenue, will host parts of this training throughout the two days, which at times may appear to be very realistic and intensive to the community with the number of personnel and equipment that will be deployed.

Police departments from throughout the State of Ohio will be on site at CHDS on Thursday while on Friday the training will be more active as various types of emergency equipment including police vehicles, fire engines, armored vehicles, and helicopters will be deployed and put into action.

Due to activity in and around the CHDS building, access to the Amberley campus may be limited or completely restricted.

In January the Golf Manor Fire Department merged with the LMFR which now provides fire and EMS services to the Village of Golf Manor, Columbia Township and Fairfax.

The Village of Golf Manor, located in central Hamilton County, Ohio is home to 3,611 residents, comprised of 1,614 households, and 897 families according to the 2010 census. More information about the Village may be obtained at www.golfmanoroh.gov.
