

People

- Activities
 - Game night 1-2 times per month
 - Community gathering once per quarter with childcare
 - Street captains to promote communication and awareness among residents
 - Use WeTHRIVE! to promote health and wellness, provide healthy community activities
 - Events commemorating Black History, St. Patrick's Day, Summer, Fall Ball, Winter Giveaway (Christmas), Toys for Tots, Clothes Drive
- Is it possible to have a library branch in GM?
- Welcome packet to new neighbors
 - Include events, Facebook pages, websites, etc.
- Have multiple town hall meetings
- Partner with YWCA for equity training
- GM is blessed with great diversity – improve cultural awareness and understanding
- Use strengths and talents of residents to accomplish village goals
- How can we use census data to inform programming that might be valuable?
- Improved promotion of activities
 - Email?
 - Mail?
 - Text?
 - Social Media?
- Block parties for certain number of streets throughout to start bringing people out of the house

Neighborhoods

- Library
- Dog park
- Rename or take off this section – not clear enough
- Accountability for landlords
- Code enforcement
- Partner with library for activities
- Grocery access
- Litter pickup and enforcement – can be community-led
- Absent landlords add to lower values
- Code enforcement
- Monitor rental properties
- Protect renters from eviction
- Affordable
- Safe
- Small town

- Near cities
- People don't know GM – how do we promote visibility
- Easy rent info for park
- Bremont signage 1-way before 1-way

Parks

- I would like to work on the Veteran's park
- Chess tables
- Basketball court
- Walking trail
- Veteran's park is unsightly
- Market the park for events
- Understand the identity of the park and what we want to do with it
- Improve Dennis Puthoff Park – clean up community garden
- Create mile markers throughout the neighborhood
- Neighborhood walking paths? Is GoVibrant still a thing?

Services

- Concrete low priority
- Community feedback on services
- Concrete not suitable in this environment
- Can trash removal be more clearly watched, the trucks destroy the streets
- Why concrete over asphalt
- Create a fund/organization to help with overgrown and falling apart homes
- Website needs updated/overhauled
- Bremont – improve 1-way signage
- Code enforcement
- Proactive parking and code enforcement, less reliant on resident reports of violation
- Give the police department the tools to work as the police department we know
- Timeline expansion of leaf cleanup
- What services would be most beneficial based on demographics from 2020 census
- Parking/street enforcement
- Compost program awareness/enrollment
- How are we promoting the possible services? How are they communicated to ALL neighbors?
- More public trash cans
- Code enforcement

Image

- Community camera
- Community mural
- Make financial district more beautiful
- Neighborhood clean up
- Public trash cans
- Updated Golf Manor website – new images/color/design/etc. and promotion of the site
- Updated social media
- Better enforcement of housing codes
 - Not just enforce, but understand why there's a violation
- Flowers or more color at Golf Manor entrances/signage
- Code enforcement
- Beautification and maintenance of village entrances, parks, streets
- Litter pickup and enforcement
- What's the plan for the dead end of Wiehe?
- What's the image that we want to project?
- Do we have a "brand"?
- Code of community conduct
- Bringing partnerships together for the benefit of all
- New GM street signs for all intersections, not just some

Prosperity

- Pond for fishing
- Natural ecosystems
- Inclusive dietary options
- Revitalize business district to bring jobs and tax dollars
- Undergrounding utilities would be awesome if feasible
- Financial wellness
- More connectiveness community engagement – like town halls, meet your neighbor
- Steadily build businesses for sustainability
- Offering home ownership workshops (path to) because not all our residents are necessarily homeowners
- Economic development (lower taxes)
- Legacy of stewardship – what does this mean?
- More streetlights, follow up on light study/conversations from 2023
- Offering financial development workshops or tax prep help (informational) to residents
- Offer free headshots and resume help
- How will you build financial growth?
- Resume building / proper job / savings
- Professional achievement – have a way to highlight neighbors' achievements, businesses, ideas, etc.

Parking Lot / Miscellaneous

- Proper data collection and tracking
- How can we protect infrastructure/beautification investments like EV charging, statues, etc?
 - These can't be repeats of the park sail issue
- Golf balls coming over the fence
- Have a financial analysis of GM budget so people understand how money is utilized in GM

Notes
