Application for Chief of Police – Village of Golf Manor

Dear Mr. Pridonoff,

I am writing to express my sincere interest in the position of **Chief of Police for the Village of Golf Manor**. With nearly two decades of progressively responsible law enforcement experience across two states, a proven record of leadership, and a deep commitment to the Golf Manor community, I am confident in my ability to lead the department with professionalism, integrity, and a forward-thinking vision.

Since joining the Golf Manor Police Department in 2017, I have served as a Patrol Officer, Sergeant, and now Captain. Throughout my tenure, I have demonstrated the ability to modernize operations, strengthen community relationships, mentor officers, and implement initiatives that advance efficiency, accountability, and service quality—values that align directly with the Village's core principles.

My leadership experience includes supervising patrol operations, overseeing specialized initiatives, managing critical incidents, developing crime-prevention strategies, and enhancing department-wide training standards. My extensive educational portfolio includes the FBI LEEDA Trilogy, Police Executive Leadership College (PELC #84), FBINAA Leadership Certification, FBI Carolina & Great Lakes Command College, Department of Homeland Security Leadership Academy, and multiple advanced supervisory, budgeting, and executive-level leadership programs. These programs have equipped me with the skills necessary to manage personnel, improve departmental workflows, ensure legal compliance, and guide an agency through modern policing challenges.

A key priority throughout my career has been fostering trust and transparency within the community. I have led numerous community-engagement efforts, established partnerships with local organizations, and worked closely with residents to address quality-of-life concerns. I firmly believe that a successful police department must be visible, approachable, and engaged—and I am prepared to expand these efforts as Chief.

Operationally, I bring extensive experience in strategic planning, technology integration, emergency preparedness, fiscal stewardship, and data-driven decision-making. I have led and implemented initiatives that strengthened officer accountability, enhanced investigative practices, elevated training standards, and measurably improved overall organizational performance.

I maintain a strong working knowledge of law enforcement accreditation processes, Ohio Collaborative standards, and nationally recognized best practices in modern, community-oriented policing. I successfully led the Golf Manor Police Department in achieving national recognition through the National Center for Missing and Exploited Children (NCMEC) as a Missing Kids Readiness Program (MKRP) member. Additionally, under my leadership, the agency obtained Police 2 Peace Agency Certification, reflecting a commitment to progressive, trust-based community policing principles.

What sets me apart is not only my experience, but my unwavering dedication to the Village of Golf Manor. I have invested myself in this community—its safety, its relationships, and its future. I understand its challenges, potential, and unique character. As Chief, I would continue building on the momentum we have created, prioritizing officer wellness, recruiting and retention, transparent communication, community partnerships, and innovative policing strategies.

I am honored to submit my application and welcome the opportunity to further discuss how my background, experience, and vision will contribute to the continued success and growth of the Golf Manor Police Department. Thank you for your time and consideration.

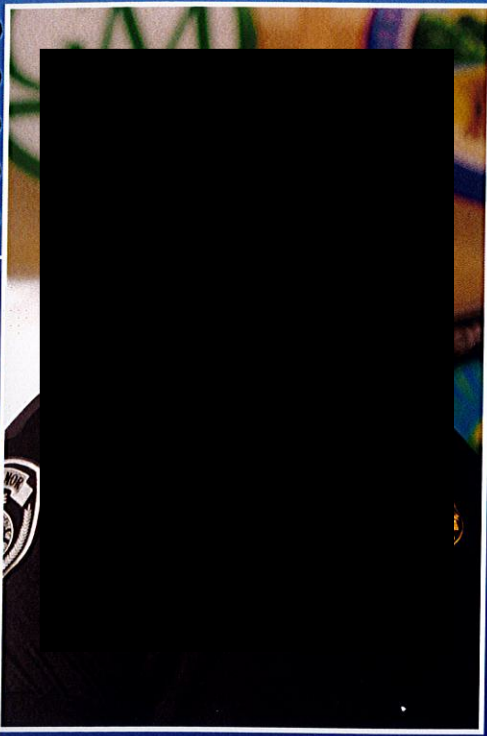

Respectfully,

Captain, Golf Manor Police Department
